

We Rise by Lifting Others

**The Ardoo CareSafe 140
Hoist / Stand Aid Combo**

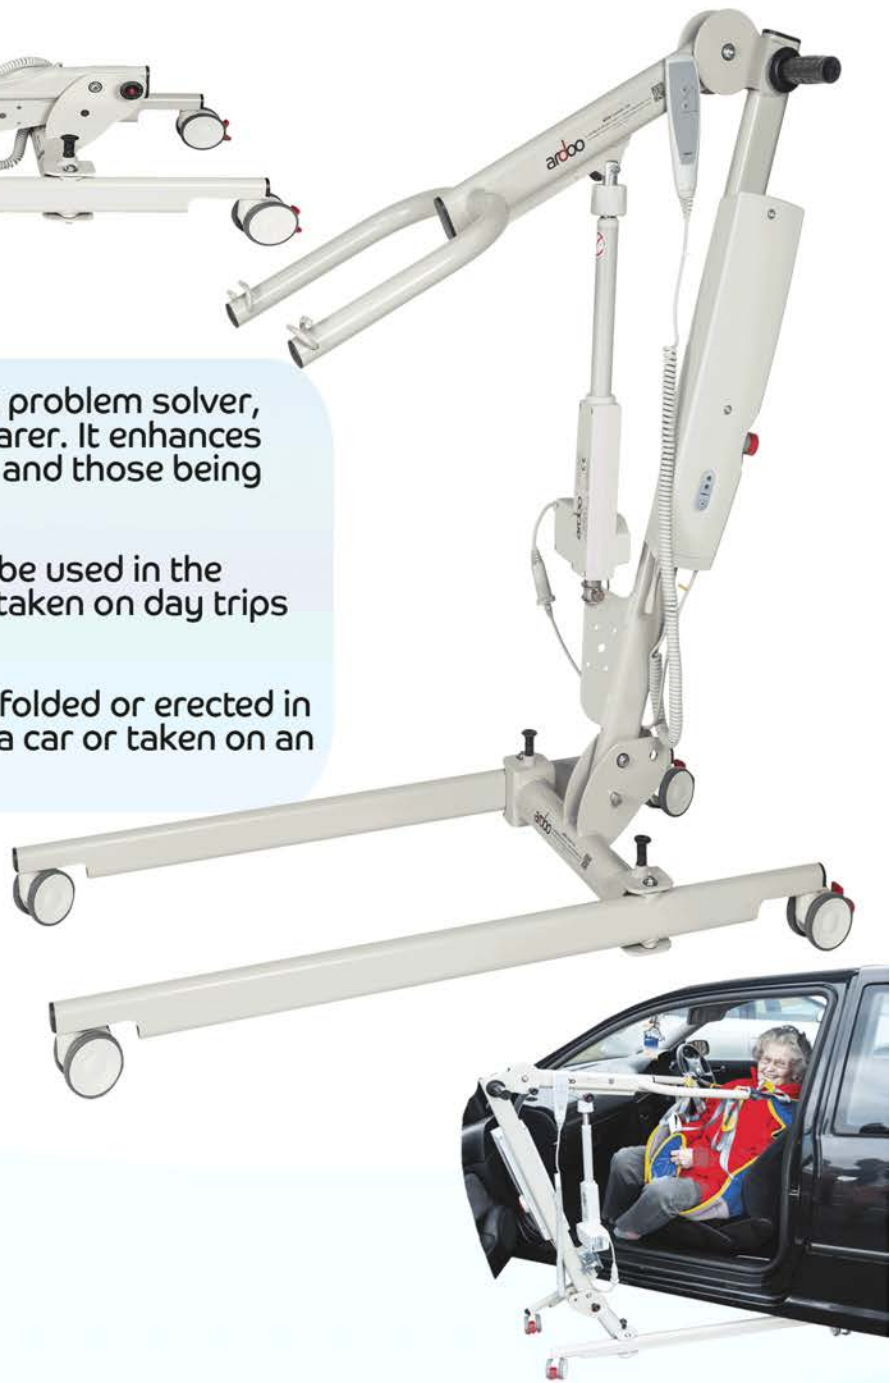

Ardoo Caresafe 140 Hoist

The Ardoo Caresafe 140 hoist is a problem solver, versatile and easy to use by one carer. It enhances the quality of life of both the carer and those being cared for.

The Ardoo Caresafe 140 hoist can be used in the home, in the car and can be easily taken on day trips and holidays.

It has a small footprint and can be folded or erected in seconds and placed in the boot of a car or taken on an aircraft.

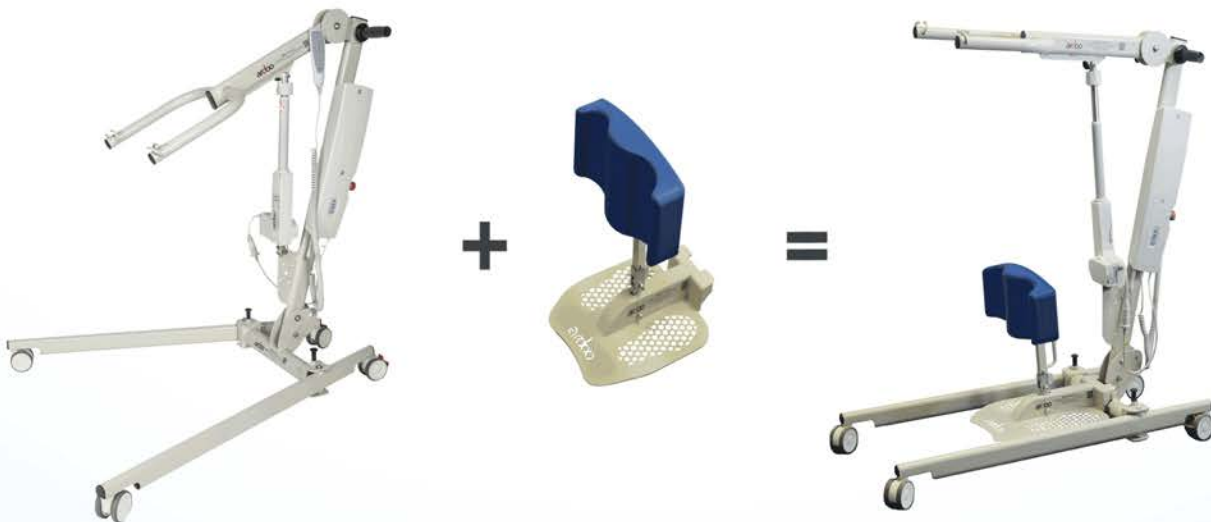

- Lightest folding Hoist on the market
- Folds in seconds - no tools required
- Safely transfer into car seat - front or rear seats.
- Use in bathrooms & tight spaces
- Take on holiday / day trips with family & friends
- Allows safe comfortable transfers
- Easily converts to use as Stand Aid
- Safely lifts from wheelchair, stairlift, toilet, etc.
- Reduces risk of orthopedic injury from lifting patients
- Easy to use and saves time for carers
- Only one carer required to complete lifts.
- Weighs just 23kgs and it can lift up to 140 kgs (22 stone)
- Shipping Worldwide

Ardoo Caresafe 140 Stand Aid Combo

This easy to use multi-functional product offers the following to users and those being cared for:

- * A portable compact hoist
- * A portable compact stand aid
- * A unique one-piece kneepad / footplate Weighing less than 8 kg
- * The footplate can be attached to the Ardoo 140 hoist in a matter of seconds with no tools required, allowing the Ardoo Combo to then function immediately as a stand aid.

"As I suffer from Multiple Sclerosis I get my good and my not so good days. The Ardoo 140 Combo is perfect for me because we can easily change it from the Hoist to the Stand Aid, which means I don't need to have two separate products in my home taking up space". J Burke

- The Stand Aid offers amazing value for money in terms of it's capabilities.
- If needed the Combo can be used as a stand aid for one transfer and as a hoist the next.
- It allows safe comfortable transfers
- Reduces risk of orthopedic injury from lifting patients
- Easy to use and saves time for carers
- Only one carer required to complete lift
- Can lift up to 140 kgs (22 stone)
- Shipping Worldwide

Travel light with the Ardoo 140 Combo
